A. Individual Examination Result/Rating

Passed and failed examinees may generate their individual test result using the Online Civil Service Examination Result Generation System (OCSEGRS), which can be accessed also through the CSC website. To use this system, the examinee should encode/fill in the required data in the corresponding data fields accurately, following the proper format. Successful data submission will produce a copy of the examinee's rating, on screen, which can be viewed or printed for reference. Test result generation through OCSEGRS shall be available not later than January 22, 2017. Please note that no report of rating shall be mailed to individual examinees.

Should individual test result generation be unsuccessful despite input of complete and accurate data, examinees may e-mail the CSC Examination, Recruitment and Placement Office at erpo_ead_07@yahoo.com, or erpo.ead.2014@gmail.com.
