

**Declaration of Failure of Bid**  
**in the Procurement of CSC RO II's Provision of Security Services**  
**for FY 2024 at the ABC of PhP4,488,020**

The CSC Regional Office II posted an Invitation to Bid on PhilGEPS as an Early Procurement Activity for the Provision of Security Services for FY 2024, at the Approved Budget for the Contract of PhP4,488,020, on 15 November 2023. After posting the Invitation to Bid, however, it was determined that some factors used in computing the ABC did not adhere to existing laws and rules. Consequently, continuing with the procurement process would mean violating these laws and rules.

As a result, this Office officially declares a failure of bid for the provision of security services at the ABC of PhP4,488,020 and cancels the previously posted Invitation to Bid from 15 November 2023. A new Invitation to Bid, reflecting the revised ABC, will be posted to initiate the procurement proceedings.

24 November 2023.
