The List of Passers posted on the CSC Website is the official list. *The CSC does not recognize and is not liable for any other postings on any other websites and social media links/platforms that are not affiliated with, or are engaged in the unauthorized use of the name of, the Civil Service Commission.* Thus, the CSC cautions the public against accessing such postings.

1. *<u>Individual Examination Result/Rating Through OCSERGS</u>*

   Examinees, both passed and failed, can generate their individual test result using the Online Civil Service Examination Result Generation System (**OCSERGS**) by **24 June 2023**. Please note that no report of rating shall be mailed to individual examinees.

   The examinee should encode/fill in the required data in the corresponding data fields under the personal information, and the details of examination (*i.e.*, date, type, and place of examination) accurately, following the illustrated/indicated format.

   To ensure that the enhanced OCSERGS is accessed, use the main, official CSC Website www.csc.gov.ph | Quick Links | OCSERGS.

2. *<u>Certification of Eligibility (CoE) for Passers on Security Paper</u>*

   Passers may apply for CoE printed on security paper <u>with fee</u> by 11 July 2023 *(Note: Applying for regular CoE has a separate set of requirements and procedures. Please verify with the CSC RO, or secure the requirements from the CSC Website)*.

   Said security paper-printed CoE and its authenticated copy/ies may be applied for and obtained from any of the 16 CSC ROs nationwide, regardless of the place of examination. Relatedly, passers are advised to verify first the availability of the service (*i.e.*, issuance of CoE on security paper) before going to the CSC RO. Please access the CSC Website for the directory of the CSC ROs.

   It is recommended for passers to secure a CoE printed on security paper as this may be more preferred by government agencies as supporting document for job application, including promotion and other human resource actions/movements.

(i) For those who have moved to or are based in *another* region, a written request must be sent to the authorized CSC RO (with jurisdiction over the testing center/venue where they took the examination) to forward their CoE to the conduit CSC Regional/Field Office where they would like to claim the same. In their written request, they must also cite their reasons for the request.

(ii) For those in remote areas *within* the region, a written request must be sent to the CSC RO to forward their CoE to the CSC Field Office where they would like to claim the same.
