A. Individual Examination Result/Rating

Examinees, both passed and failed, may generate their individual test result using the Online Civil Service Examination Result Generation System (OCSEGRS), which can be accessed also through the CSC website. To use this system, the examinee should encode/fill in the required data in the corresponding data fields accurately, following the proper format. Successful data submission will produce a copy of the examinee's rating, on screen, which can be printed for reference. Test result generation through **OCSEGRS shall be available by July 16, 2017**. Please note that no report of rating shall be mailed to individual examinees.

Should individual test result generation be unsuccessful despite input of complete and accurate data, and should there be any other concerns on examination result including queries on examinee number, examinees should verify directly with the CSC Regional Office (CSCRO) concerned. The CSC Regional Offices handle the releasing of examination results. A complete directory of the CSCROs is available also at the CSC website through the link http://excell.csc.gov.ph/cscweb/dir_ro.html for reference.
