ANNOUNCEMENT

- TO : ALL HEADS OF CONSTITUTIONAL BODIES, DEPARTMENTS, BUREAUS AND NATIONAL GOVERNMENT AGENCIES (NGAs); LOCAL GOVERNMENT UNITS (LGUs); GOVERNMENT-OWNED AND CONTROLLED CORPORATIONS WITH ORIGINAL CHARTERS (GOCCs); AND STATE UNIVERSITIES AND COLLEGES (SUCs)**
- SUBJECT : Training-Workshop entitled "Lessons from Yolanda: Disaster Recovery of Records and Library Materials"**

The Society of Filipino Archivists, Inc. (SFA) shall conduct a training workshop entitled "Lessons from Yolanda: Disaster Recovery of Records and Library Materials" to be held on June 18-20, 2014 at the Punta Villa Resort, Sto. Niño Sur, Arevalo, Iloilo City.

SFA is one of the few non-government organizations that went on volunteer work to save and rescue records in government agencies and private institutions a month after Yolanda's devastation. Because of the realization that most, if not all agencies, were unprepared to save their records destroyed by calamities, the SFA decided to share their first hand experiences from Yolanda.

At the end of this workshop, participants should be able to:

1. Apply recovery skills to their respective collections in cases of disasters; and
2. Establish a network of recovery teams within their respective regions.

All concerned government employees particularly the archivists, records officers, librarians, curators, cultural heritage workers, secretaries, administrators and their staff, and other personnel in-charge of libraries, records and archives are encouraged to attend this three-day training workshop. Registration rates are as follows:

Live-in participants: Php6,500.00 (inclusive of registration, accommodation, meals-June 18 a.m. snacks to June 20 p.m. snacks, training kit and other administrative expenses)

Live-out participants: Php5,500.00 (inclusive of registration, meals-am/pm snacks & lunch, training kit and other administrative expenses)
