

Inventory of Government Human Resources (IGHR)

As of August 31, 2017

INTEGRATED RECORDS MANAGEMENT OFFICE

Inventory of Government Human Resources (IGHR)

The Civil Service Commission (CSC) is mandated, among others, to keep and maintain the bureaucracy-wide human resource (HR) records in the Philippine Civil Service (PCS). The CSC, being the central HR body, continuously creates records as it documents its day-to-day operation and all events pertinent to HR management, actions, programs, and policies, which form part of the HR records. These records constitute a strategic input to the HR administration/management, policy formulation, budget-allocation, decision-making, and to its performance in the attainment of its goals and mission.

Among the important data that may be culled from the HR records are the statistical data on HR profile of the PCS. The statistical data is important not only in the research/studies but also in the formulation of government policies/programs, budget-allocation, and decision-making, therefore it is incumbent on the part of the Commission to ensure accuracy and timeliness of the statistical data/inventory of government human resources.

The first recorded statistics on the number of officials and employees in the PCS was in the year 1961. Followed by a statistical data that was gathered through a survey project known as the “CSC – National Manpower and Youth Council Manpower Survey Project 1971 – 1973”. Both statistics were done manually, not until December 1993, with the advent of emerging ICT technology, the first Inventory of Government Personnel (IGP) was conducted to get a more accurate headcount of government officials and employees.

In 2011, the Commission conducted the last IGP for calendar year 2010 with a total number of 1,409,660 government workforce for calendar year 2010. Later, on January 7, 2014, the responsibility for the conduct of IGP was transferred to IRMO with the promulgation of CSC Resolution No. 140041 on the “Transfer of Selected OSM Functions to Other Offices of the Civil Service Commission”. Pursuant to the said Resolution, The CSC Integrated Records Management Office (IRMO) developed the Inventory of Government Human Resources System (IGHRS) to answer the need to institutionalize a regular conduct of the IGP. The IRMO embarked on the IGHR project and conducted the initial gathering of relevant government personnel data, including the data on Job Order (JO) or Contract of Service (COS) personnel, from November 2015 until the end of March 2016.

The IGHR centralizes and facilitates collection of data from all the government agencies nationwide. It has three modules: (1) Module I was for the CSCROs/FOs online account registration; (2) Module II was for the agency HRMO online/offline account registration and compliance monitoring; and (3) Module III was for the agency encoding of inventory data.

The conduct of inventory of government human resources has proven the IGHR system to be effective, efficient, and useful. The HRMOs were able to submit their respective data online. The CSC Central Office and Regional Offices were able to monitor and follow-up real-time compliance of agencies. The IRMO was able to collect and draw-up the required statistics.

The initial IGHR report was submitted to the Commission on April 30, 2016 with a grand total of 1,874,978 personnel working for the Philippine bureaucracy. It is composed of 1,236,361 career service personnel, 132,499 non-career service personnel, and 506,118 personnel who were hired on JO/COS status.

On June 13, 2016 until July 15, 2016, another collection of data was undertaken to cover more agencies and come up with an updated inventory of the government human resources, which was submitted to the Commission on July 30, 2016. The updated IGHR totalled to 2,301,191, which is composed of 1,526,450 career service personnel, 179,579 non-career service personnel, and 595,162 JO/COS personnel.

For FY2017, the collection of data was undertaken from July 25 to August 22 with a total IGHR of 2,420,892 composed of 1,569,585 career service personnel, 190,917 non-career service personnel and 660,390 Job-Order/Contract of Service personnel.

The IGHR system is one of the instruments in realizing the CSC's vision to be globally recognized as a center of excellence for strategic Human Resource (HR) and Organization Development (OD). Further, the conduct of IGHR is a milestone in HR records management services in the Philippine bureaucracy!
